# A Letter From Our President:

Peace and Blessings to you,  
I greet you in solidarity.

BRIDGE MARYLAND INCORPORATED(B MI) is a powerful group of diverse inter-denominational faith leaders and congregations that organize around a range of issues which directly affect the citizens of Maryland. At BMI, we see our city, state and nation challenged by a history of inequity. We engage in community organizing for a "more just tomorrow." We do fruitful work: we organize both people and money to bring about systemic and institutional change. We challenge the dominant narratives that debilitate, demoralize and devalue individuals and their families. Intensive leadership training empowers us to bring about justice on for God's "Beloved Community." Rather than act on "behalf" on others, we act with intentionality to assure that "impacted" people are at the center of our issue work. We recently received the organizational "Social Justice Award" from an organization of faith leaders.

On Friday, June 13, 2025 from 6 to 10 pm, BRIDGE MARYLAND will host an interactive and robust Celebration Gala at Martin's Valley Mansion, 594 Cranbrook Road, Hunt Valley MD 21030. We would be honored to have you as a Corporate Sponsor. As a sponsor, you will receive various benefits in addition to the intrinsic satisfaction that comes from knowing you have made a difference in the work of advancing justice in our state and in our world.

Please consider investing in our work by being a sponsor. We look forward to a mutually beneficial relationship with you.

Thank you for your consideration. May you reap ten-fold, all that you sow into the community in which you live and work.

In anticipation,

*Angelique Mason*

# Sponsorships:

At BRIDGE MARYLAND INCORPORATION, we do not accept every company that may choose to become a sponsor. Sponsorship opportunities are reserved for highly qualified companies and individuals who believe in the mission and vision of BMI and desire to invest in our work for a more just community.

Sponsors must maintain company or product integrity and standards with a commitment to community and service. Sponsorship opportunities require a donation because it allows us to sustain and develop our issue groups such as housing, youth opportunity, environmental (water equity) and other areas we have worked on.

The benefits of sponsorship reach beyond the initial recognition. Some of them are: the opportunity to build trust and establish rapport in the community, giving back, brand awareness and recognition, exposure of your company during our event, deduction for business expense, attracting new customer demographics, setting you apart from others, increasing the visibility and credibility.

On June 13, 2025, BRIDGE MARYLAND will host a spirited Gala at the Martin's Valley Mansion, 594 Cranbrook Road, Hunt Valley MD 21030. This will be an opportunity for BRIDGE... to celebrate who we are and claim the victories we have won.

We are a faith-based, non-profit 501c3, comprised of about 13 congregations of diverse faith traditions. We have been around for over 10 years. Our vision: we see the state challenged by a history of inequity but we use our organizing skills to bring about a change.

Our mission is that we use intentional relationship building, organizing and intensive leadership development in order to strengthen congregations and faith leaders to demonstrate and advance justice in the world. We have worked to make transportation more accessible for those who rely on public transit, helped to pass an inclusionary housing bill that gives opportunities to more people to live better.

We are champions of social justice.

Your investment will help to further our work.
